Leo the Lion

Six Ways To Describe Nonfiction

Animal:

1 Appearance List the parts and features.	
2 Use What are the parts and features used for?	
3 Behavior How does it act? Does it fly, walk, crawl? What does it eat?	
4 Location What is its habitat? Where do you find it?	
5 Group What group does it belong to?	
6 Function How does it help its habitat?	

Front Cover

animal clues/riddles

Cut out square in front, either 1.5" x 1.5" or 2" x 2" to show part of the animal; not enough to identify the animal.

I live in the jungle.

I hunt and eat other animals.

I move like a cat.

I have beautiful hair.

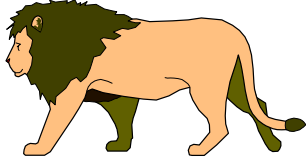

Who am I?

Open it up...

Inside Folder

Magazine picture cut out around animal and draw habitat with crayon or marker.

I am a lion.
